

Marco Polo World Foundation

Host of 10th Anniversary Annual DFW Dragon Boat, Kite and Lantern Festival®

Dear Friend & Supporter,

We are pleased to invite you and your employees to participate in the 10th Anniversary Annual DFW Dragon Boat, Kite and Lantern Festival, a unique and premier multi-cultural and educational event in North Texas. With strong support from businesses, community groups, and city governments, the festival has attracted widespread participation and media attention. Nearly 40 race teams and 20,000 spectators participated in 2016, including boy scouts, breast cancer survivors, city, corporations, schools, and non-profit community groups. Dragon boat race teams came all the way from China, cities such as Austin and Houston, and other states like Louisiana and Oklahoma. We are proud to be the first to bring Dragon Boating to North Texas. In past years, the festival was attended by Consul Generals from China, Korea, Mexico, Philippine and Japan, a US congressman, several state representatives and mayors, celebrating the month of May as Asian Pacific Heritage Month. It has become one of the largest festivals focused on diversity in the Southwest. Please come join us!

The festival will be held on Sunday, May 21st, 2017 (8:30 a.m. to 6:00 p.m.) on Lake Carolyn in Las Colinas, Irving, Texas. Event is free to the public. In addition to dragon boat team races, the festival will have kite flying, lantern displays, a main performance stage as well as numerous multi-cultural demonstration and classes, along with delicious ethnic foods. We also have raffle drawings with grand prizes of international airline tickets. Since introducing this annual festival in 2007, we have significantly increased attendance

each year. In 2017, we anticipate 50-60 racing teams, 100 booths and over 20,000 visitors.

We encourage you to put together a dragon boat team. Dragon Boating is an easy to learn, team-oriented sport that promotes teamwork and increases productivity and wellness. It is a proven employee/team-building activity and generates much enthusiasm among the participants. We provide all equipment, including the boats, paddles, lifejackets, as well as professional coach training for the teams the day before the scheduled event. Each team consists of twenty paddlers and one drummer.

In addition to your team, you will have a complimentary booth at the festival that can be staffed by your employees or volunteers to distribute information about your products and services.

With your support, your employees will enjoy the various family-friendly activities, enrich their knowledge, enhance their understanding of diverse cultures, and be part of the most exciting dragon boat racing.

Registration deadline is April 25, 2017.

More information can be found on the festival's official website at www.dfwdragonboatfestival.com.

The internship with MPWF provides students the opportunity to improve their organizational and interaction skills, exposure to different job opportunities and expanded network of associates and professionals.

Asian Culture Seminar With its diverse background, Marco Polo World Foundation brings introductory culture courses to school districts in the DFW Metroplex and celebrates Asian-Pacific American heritage with children of all ages.
